

Notice

Date: 27.10.2020

This is for notification for the all concerned related to alteration/addition of Generic Elective subjects of the current undergraduate students of different departments.

1. For Current 3rd Semester Honours Students (admitted in 1st Semester in 2019):

The students who were admitted in the undergraduate honours course in 2019 and currently studying in 3rd semester UG. Those of you, who had opted Generic Elective from **other (different) streams** i.e. Bio-science Honours students erroneously/unintentionally opted (in online Admission Form) Pure Science Generic subjects and vice versa (e.g. Botany or Zoology or Physiology Honours students opted for Generic Physics or Mathematics) and now finding extremely difficult to carry on with that combination, may fill up and submit this prayer format given below to the college authority for the change of one of your Generic subject. Merely filling up this form, however, does not ensure that your prayer will be granted. College authority may grant your prayer considering the Academic spirit of the CBCS and Administrative feasibility and manageability of such changes in this very special case, whatsoever.
