Student Feedback & Action Taken Report (2021-2022)

The feedback from the Students, the prime stakeholder of the institution is collected and analyzed by the Principal as sent by the IQAC with every care & sincerity. The strong points are appreciated and the weak ones both of the institution and the staff are addressed through one to one discussion with confidentiality. The suggestion of the Students, if found positive are taken into account and steps are taken as per suggestion for betterment of the students and the Institution. Greater emphasis is given on Student Support and Student Welfare, be it Academic, Cultural, Athletic, Financial or Emotional.
