Chief Patron

Prof. Satyaranjan Ghosh
Teacher-In-Charge
Midnapore College (Autonomous)

□ About the program

Python for Absolute Beginners is a hands-on course that will teach you how to program in Python from scratch. You'll learn the basics of Python. This course is designed for absolute beginners, so you don't need any prior programming experience. You'll learn everything you need to know to start writing your own Python programs, step-by-step.

Course Outcome:

1. Basic Python Understanding
2. Programming Logic
3. Data Handling Competence
4. Debugging and Problem Solving
5. Control Flow Mastery
6. String Manipulation Skills
7. Data Structures Proficiency
8. Readiness for Further Learning

Resource Person

INTERNAL &
EXTERNAL EXPERTS
