COLLEGE ROAD

It is my soul's glee to meet you through this page. I cordially welcome all new entrants and deem it my privilege to assure you all that you are indeed fortunate to pursue four year Undergraduate Programme / two year Post Graduate Programme from an Institution that does not compromise with academic quality, student discipline and safety. Since its inception in 1873 under the affiliation of Calcutta University, the College has strode strong achieving on the way of its colossal march CPE Status, Autonomous Status and Special Heritage Status as strong testimony to its academic elan. Withstanding all the blows and buffets on the way to its progress, the College got blaze of publicity by achieving 'A+', 'A' and 'A+'Grade in three successive NAAC accreditations in 2004, 2012 & 2017 & has commendable 73rd Rank in NIRF, 2023. Needless to say, the College, now 152 years old, is proud to be one of the Higher Education Institutions of the Nation. It is my pleasure not only as the Teacher-in- Charge but also as a Senior Faculty of this College that the College has successfully observed its 150th Foundation Anniversary with all zest and enthusiasm of all stakeholders of the College in 2022 and is trying its utmost to retain its pristine academic legacy.

Apart from the coveted academic potential, what is commendable is the pioneering role of the College in spreading Higher Education and accelerating the Freedom Movement of the Country in Pre-Independent period. It is no exaggeration to say that the College then proved to be the breeding ground of a whole host of martyrs who bubbled with patriotism and bled for the Country. The past of the College bears their social commitment through a saga of selfless service and sacrifice which gives stimulus to our present students for further social linkage and commitment.

This pioneering Govt. Sponsored academic Institution, now Autonomous, Midnapore College, is more inclined on the holistic growth of its students. The demography of students' population bears the testimony to the commitment of the College for providing support services of different sorts. The College library is the cynosure of all academic activities. The students will immerse themselves in the great light of education emitting from it having more than 78,000 Text Books and commendable number of Reference Books, Journals and a good number of rare books. The wonderful glamour of the Library Reading Room will entice them to knowledge to be acquired from rare books and also from the Digital Library. Apart from text book knowledge in the class rooms, the support services like N. C. Rana Sky Observation Centre, Midnapore College Centre for Scientific Culture, Innovation Hub, Ex-situ

Medicinal Plants Garden, Language Laboratory for Spoken and Communicative English etc. would also provide them with extracurricular activities for their holistic development. Moreover, Games and Sports, Non Residential Coaching, Cultural Workshop and Cultural Competitions, Quiz, Viva, Mock Parliament Competition and various other healthy practices would enhance their skill, personality and aptitude.

The College Crest is the very epitome of the Institution's vision. The Wheel stands for dynamism and the Vedic phrase 'Yotir Gamaya' in its English rendering means 'Move Towards Light'. It is also quintessential to the true mission of the College so far as it shows how this temple of Higher Learning is bent on accrediting the process of modernization keeping the glorious past, the dynamic present and the luminous future in perfect poise. The College creates a congenial academic climate in the campus so that it can ensure the spontaneous and unhindered growth of the saplings towards the scintillating Sun, the very fountain of light connoting infinite knowledge and wisdom.

To wind up, Midnapore College (Autonomous) wishes to make true citizens with proper learning and moral values and also cherishes that the students of this Institution of Heritage will be groomed and nourished to that end.

May the blessings of God be showered on all the students who in future would glorify their Alma mater.

Wishing you all the best and accomplished future. Hope that the College will begin to buzz with you students and your diverse activities once you step into the campus.

:: A SLICE OF HISTORY ::

History is not a dead past; it is a quivering part of the present. The present conferment of Autonomous Status by the UGC from the Session 2014-2015 urges us to remember how Midnapore College sprouted from a tiny seed to a full grown plant with the plethora of academic promises by proliferating its boughs and branches into wider social connectivity along with its academic excellences and innovative researches.

The epic academic Odyssey started from the incipient stages of a private school in 1834, the Zilla School in 1840, a burgeoning College in 1873, a Govt. Sponsored College in 1956 and in 1985 the affiliation of the College changed from the University of Calcutta to Vidyasagar University. A host of sagacious teachers, proficient both in teaching and research, diligent and knowledge- ebullient students, committed and zealous non-teaching staff, much-coveted infrastructure, uniquely furnished Central Library, several academic opportunities, coupled with adequate support services brought the College to come to its one and only goal of becoming the premier Higher Education hub not only in the State of West Bengal but also in the Country.

The College has got accolades for excellences but there is no berth of complacence. There is humility to acknowledge the fact that complacence of any sort is self-annihilating. The competence and the excellence of the students are our richest endowments. We are committed to creating a mind set for upholding the pristine glory of the College and carrying forward the good and golden legacy of our "Potential Knowledge Capital".

The present status of the College urges us to reflect a little bit on the history of its birth. It is a matter of great pride that from a humble beginning in 1873, our College has proved its academic potential moving from strength to strength. Having crossed many measurable milestones, this Institution has become the dream destination of many. Three NAAC Accreditations of 2004,2012 & 2017, attainment of CPE Status twice (2010 & 2014), conferment of Autonomous Status in 2014 and the extension of Autonomous Status for another ten (10) years up to 2030 are strong testimony to it. As a feather in the cap, the College has also been endowed with Special Heritage Status by UGC in 2015. I am proud that the College has been acknowledged by NAAC in the 3rd Cycle of Reaccreditation as a premier Higher Educational Institution claiming A+ Grade with 3.60 CGPA which is the second position considering all the Colleges of West Bengal and the first position among the Govt. Aided Colleges of the State. Much to the satisfaction of the stakeholders, the College has got commendable 73rd Rank in NIRF- 2023. Midnapore College Research Center both in Science and Humanities and Social Science is actively associated with research activities which gives a glimpse into the potential of the institution to be a Unitary University in days ahead. The College is boastfully publishing two research journals with ISSN both for Science and Humanities. Much to the pleasure of one and all it is to be mentioned that an Innovation Hub for Experimental Science has been established in the Center for Scientific Research (CSR), IAPT in collaboration with Rajasthan University.

The College has completed gloriously 150 years of its eventful existence in 2022 withstanding all the blows and buffets on the way which habitually and perennially long lives

are prone to and is also striving hard to retain the pristine academic glory. Collective endeavour has brought success in all quarters that resulted in making this Institution the premier Higher Education Hub not only in our State but also in our Country as a whole. Though the College is on the way to attain the acme of perfection, there is no berth of complacence. With all humility we acknowledge the truth that complacence of any sort is soul killing and self annihilating.

Once a Private School in 1834 and then a Zilla School in 1840, this Institution never looked back. It learnt to keep pace with the passage of time and gained momentum by becoming a Degree College in 1873 under Calcutta University. The Status of Government Sponsored College was achieved in 1956. It got UGC recognition in 1957 and its affiliation changed from Calcutta University to Vidyasagar University in 1985. Through hard academic ordeals, the College has got the much-coveted honour of becoming the first Govt. Aided Non-Trustee Autonomous College in West Bengal in claiming A+ Grade with 3.60 CGPA though it is situated in the muffasil area. A host of sagacious teachers, proficient both in teaching and research, diligent and knowledge ebullient students, committed and dedicated non-teaching staff, immaculate infrastructure, uniquely furnished Central Library and Laboratory, several academic opportunities, coupled with adequate support services have proved positive in winning such overwhelming success.

We are fortunate that the College has produced a good number of student martyrs for whom the whole Nation is proud. We cannot but remember the student martyrs of our College like Dinesh Gupta (1928-29), Pradyot Kumar Bhattacharya (1932-33), Mrigendranath Dutta (1933-34), Brajakishore Chakraborty (1933-34) and Nirmal Jivan Ghosh (1933-34) for their memorable role during the Indian Freedom Movement and their spirit bubbling with patriotism. The College is proud to be the breeding ground of so many freedom fighters.

AIMS AND OBJECTIVES

1. Education is not an end in itself but a means to an end.
2. The College tries to enable the students to compete and become successful in all competitive examinations.
3. To inculcate a sense of foresight into the fast changing future and to augment their abilities to meet the challenges ahead.
4. To prepare the students with advancement of learning for Higher Education.
5. To impart quality education to the students and help them flourish holistically.
6. To foster a sense of ideal citizenship with rich moral content and astute social commitment.
7. To administer in the Students a spirit to make a corruption free India.
8. To groom Students for excellent personality and nourish in them leadership quality.
9. To motivate the Students for research activities.
10. To emphasise community based programmes and work on burning social issues.
11. To urge the progenitors to articulate a pledge for the posterity.
12. Taking special care to develop students' oral command over English by introducing Communicative English and running Language Laboratory.

13. Discouraging rote learning and encouraging real life-oriented learning.
14. Teaching students to think and do differently.
15. To strive for being better than the best.

VISION & MISSION OF THE COLLEGE

1. Educating the students to be men of morals, nobility and magnanimity for heralding a better world with no barriers of social disparities and superstitions.
2. Upholding the ambience of discipline, learning and culture with deep regard for human values by instilling in the students integrity, perseverance and transparency.
3. Making the students agile and energised to reach the acme of academic achievement.
4. Introducing new provinces of knowledge by opening prospective subjects for the students' career access.
5. Leaving no stone unturned to make the Institution a Centre of Excellence in Higher Education.
6. Providing education of International class.
7. Allowing the students to know their motherland in the marrow.
8. Fostering in the students the motto of making winning a habit.
9. Ascertaining all avenues for academic accomplishment.
10. Creating in the students a mind set to contribute to the National wellbeing.

ACADEMIC REGULATIONS

OUTLINES OF UNDERGRADUATE COURSES UNDER NEP-2020

1. INTRODUCTION:

The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of country. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems, besides governance and other matters.

The National Education Policy (NEP) 2020 (hereafter referred to as NEP or Policy) recognizes that higher education plays an extremely important role in promoting human as well as societal well-being and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. It notes that "given the 21st-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals".

The NEP 2020 states, "Assessments of educational approaches in undergraduate education that integrate the humanities and arts with Science, Technology, Engineering and Mathematics (STEM) have consistently shown positive learning outcomes, including increased creativity and innovation, critical thinking and higher-order thinking capacities, problem-solving abilities, teamwork, communication skills, more in-depth learning and mastery of curricula across fields, increases in social and moral awareness, etc., besides general engagement and enjoyment of learning"

Further, it also recommends that "the undergraduate degree will be of a Bachelor's degree either 3 or 4-year duration. **The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option** since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student".

In accordance with the NEP 2020, the UGC has formulated a new student-centric "Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)" incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options. This will facilitate students to pursue their career path by choosing the subject/field of their interest

Like previous CBCS system, the uniform grading system will continue to work. This will facilitate student mobility across institutions within and across countries and also enable potential employers to assess the performance of students. To bring in the desired uniformity, in grading system and method for computing the cumulative grade point average (CGPA) based on the performance of students in the examinations, the UGC has formulated Curriculum and Credit Framework for Undergraduate Programmes (CCFUP) guidelines.

4-year Bachelor's Degree Programme

National Education Policy 2020 (NEP 2020)

The National Education Policy 2020 (NEP 2020) introduced significant changes to the undergraduate curriculum in India. Here's a glimpse into what undergraduates can expect under the new policy:

Flexibility and Choice

- **Multiple Entry/Exit Options:** Students can pursue a bachelor's degree with multiple entry and exit points. This allows for breaks in studies, credit transfers between universities, and customized learning paths. A certificate can be awarded after 1 year, a diploma after 2 years, and a degree after 3 or 4 years. **NOTE:** Students who opt to exit after completion of the (a) first year and have secured 40 credits will be awarded a UG certificate if, in addition, they complete one vocational course of 4 credits during the summer vacation of the first year, (b) second year and have secured 80 credits will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits during the summer vacation of the second year.
- **Multidisciplinary Learning:** Students can pursue a major in one discipline and a minor in another, or even design their own interdisciplinary program. This exposure to diverse fields equips them with a broader range of knowledge and skills.
- **Holistic Approach:** The NEP emphasizes a holistic approach to education, incorporating courses on critical thinking, problem-solving, entrepreneurship, communication, and life skills alongside core subjects.

Interdisciplinary and Multidisciplinary Approach

- **Major and Minor Options**: Students can pursue a major in one subject while exploring minors in different disciplines. This allows for a broader education and encourages an interdisciplinary approach.
- **Open Electives and Multidisciplinary Courses**: Students are encouraged to take elective courses outside their major, fostering cross-disciplinary knowledge.

General Education and Core Courses

- **Foundation and General Education Courses**: CCFUP recommends a core set of general education courses focusing on communication, critical thinking, ethics, Indian culture, and sustainability.
- **Skill Development and Vocational Courses**: Students are required to take vocational or skill-based courses, promoting employability and practical skills.

Experiential and Skill-Based Learning

- **Internships and Apprenticeships**: Programs are designed to include internships, apprenticeships, and practical training to give students real-world experience.
- **Field Projects and Community Engagement**: Students are encouraged to engage in field projects and community-based learning, linking academic knowledge with societal needs.

Technology-Enabled Learning

- **Blended Learning**: CCFUP promotes a mix of traditional classroom instruction and online or technology-enhanced learning. This approach accommodates various learning styles and offers flexibility.
- **Use of MOOCs and Online Platforms**: Students can earn credits through Massive Open Online Courses (MOOCs) and other online educational resources, broadening learning opportunities.

Continuous and Comprehensive Assessment

- **Continuous Assessment**: Evaluation methods are designed to be continuous and comprehensive, including assignments, projects, presentations, and exams.
- **Holistic Evaluation**: The evaluation considers not only academic performance but also the development of skills, ethics, and other holistic attributes.

Promotion of Indian Languages and Values

- **Use of Regional Languages**: CCFUP encourages the use of regional and Indian languages in education, promoting linguistic diversity and cultural heritage.
- **Ethics and Values**: Courses include elements of Indian culture, ethics, and sustainable practices to foster responsible citizenship.

Focus on Skills

- **Skill Development Courses:** The curriculum includes skill-based courses to prepare students for the workforce. These courses might incorporate internships, project-based learning, and practical training alongside theoretical knowledge.
- **Choice Based Credit System (CBCS):** Under CBCS, students have the flexibility to choose courses from a wide range of electives offered within their discipline, across disciplines, or even from skill-enhancement courses.

Here's an example of how a student might structure their undergraduate program under NEP 2020:

- **Year 1:** Core courses in the chosen major, foundational courses in other disciplines, skill-development courses.
- **Year 2:** Major courses, electives from other disciplines or skill-based courses, potential minor courses.
- **Year 3 (or 4):** Advanced major courses, electives, internship or project work.

Benefits of the NEP 2020 Undergraduate Curriculum

- **Increased Student Choice and Flexibility:** Students can personalize their learning journeys and explore diverse fields of study.
- **Focus on Skill Development:** Equips graduates with industry-relevant skills and prepares them for future careers.
- **Holistic Education:** Develops well-rounded individuals with critical thinking, communication, and life skills.
- **Multiple Entry and Exit Points:** Makes higher education more accessible and caters to individual needs.

The NEP 2020 undergraduate curriculum is a significant shift towards a more student-centric and flexible learning experience. It empowers students to design their own educational journeys and graduate with the knowledge and skills to thrive in the 21st century workforce.

Undergraduate degree programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:

- a **UG certificate** after completing **1 year (2 semesters)** of study in the chosen fields of study,
- a **UG diploma** after **2 years (4 semesters)** of study,
- a **Bachelor's degree** after a **3-year (6 semesters)** programme of study,
- a **4-year bachelor's degree (Honours)** after **eight semesters** programme of study.
- If the student completes a rigorous research project in their major area(s) of study in the **4th year of a bachelor's degree (Honours with research).**

- **IMPORTANT**: The **4-year bachelor's degree programme is considered a preferred option** and Midnapore College recommends that to a prospective student since it would provide the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student.

Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)

Why CCFUP?

- The main objectives of *CCFUP* are:
    - To provide broad based education;
    - To provide students with greater flexibility in choice of courses;
    - To provide students multi-disciplinary curriculum;
    - To enable students to choose courses at basic/advanced level/inter-disciplinary;
    - To enable students to acquire job-oriented skills;
    - To enable students to progress at their own pace;
    - To enable highly motivated students gain extra credits; and
    - To Bridge the gap between professional and social exposure to provide a holistic education.

3. Definitions of Key Words in CCFUP:

1. **Academic Year**: Two consecutive (one odd + one even) semesters constitute one academic year.

2. **Semester**: Each semester will consist of 15-16 weeks of academic work equivalent to 90 actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.

3. **Programme**: An educational programme leading to award of a Degree, diploma or certificate.

4. **Course**: Usually referred to, as 'papers' is a component of a programme. All courses need not carry the same weightage. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/ term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

5. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).

6. **Credit Based Semester System (CBSS)**: Under the CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be completed by the students.

7. **Credit**: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.

8. **Grade Point**: It is a numerical weight allotted to each letter grade on a 10-point scale.

9. **Credit Point**: It is the product of grade point and number of credits for a course.

10. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F.

11. **Semester Grade Point Average (SGPA)**: It is a measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

12. **Cumulative Grade Point Average (CGPA)**: It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.

13. **Transcript or Grade Card or Certificate:** Based on the grades earned, a grade certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.

Courses under Choice Based Credit System under NEP:

1. **Major Discipline:** It further consists
   (a). **Discipline Specific Core (DSC)**: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course

(b). **Discipline Specific Elective (DSE):** Choice of specific topics as per learner's need. Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective.

2. **Minor Courses:** it further consists

(a). **Interdisciplinary Minor (IDM):** An interdisciplinary minor course is a program that allows students to explore topics that cross traditional academic boundaries. These are designed to foster a more holistic and flexible education, encouraging students to develop a broader skill set and a diverse knowledge base.

(b). **Discipline Specific Minor (DSM):** Unlike interdisciplinary minors, which span multiple fields, a discipline-specific minor concentrates on a single field, allowing students to gain deeper knowledge and expertise in that area without necessarily committing to a full major.

Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2. **Skill Enhancement Courses (SEC**): Skill Enhancement Courses (SECs) are designed to equip students with practical skills and competencies that are relevant to the workforce and society. These courses form a critical component of the National Education Policy (NEP) 2020's framework, which emphasizes skill-based education and vocational training to ensure students are employable and can contribute to economic and societal needs. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

3. **Multidisciplinary courses (MDC):** are designed to bridge gaps between traditional academic boundaries, allowing students to explore and integrate knowledge from multiple disciplines. This approach aligns with NEP 2020's emphasis on holistic education, flexibility, and cross-disciplinary learning. Multidisciplinary courses offer a broad perspective and encourage creative problem-solving by exposing students to a range of subjects. These courses may be chosen from a pool of courses (see below).

4. **Ability Enhancement Courses (AEC):** are a category of courses designed to help students develop essential skills and knowledge that enhance their overall learning experience and personal development. AECs play a crucial role in providing a holistic education by focusing on key areas that are important for academic success, career readiness, and personal growth. These courses may be chosen from a pool of courses (see below).

5. **Value Added Courses (VAC)**: are designed to provide additional skills, knowledge, and competencies beyond the traditional curriculum, contributing to the overall enrichment of students' educational experiences. Under the National Education Policy (NEP) 2020, VACs aim to foster holistic development, encourage interdisciplinary learning, and prepare students for the demands of the modern workforce. These courses offer flexibility and can be tailored to meet emerging trends and industry needs.

6. **Internships, Apprenticeships, Projects, and Dissertations:** play a significant role in the National Education Policy (NEP) 2020, as they offer students practical experience, real-

world exposure, and the opportunity to apply their knowledge to real-world situations. These elements are designed to bridge the gap between academic learning and industry requirements, ensuring that graduates are better prepared for employment or further studies.

7. **Community service:** Community service involves students engaging in activities that benefit their communities, fostering a sense of social responsibility and civic engagement. Main purposes include fostering social responsibility, learning through service, teamwork and collaboration: Community service often involves group activities, fostering teamwork, communication, and leadership skills.

8. **Vocational Courses**: Vocational courses focus on developing specific skills and competencies that prepare students for careers in various industries and trades. NEP 2020 emphasizes vocational education to ensure that students are job-ready and possess practical skills.

Pool of Different Categories of Courses
Currently Midnapore College is offering following range of various courses, which will expanding as per the need and academic interest of the students

Multidisciplinary courses (MDCs)	Value Added Courses (VACs)	Ability Enhancement Courses (AECs)
Digital Awareness	Environmental Sciences	Bengali
Disaster Management	Human Rights	English
Machine Learning Basics	Indian Constitution	Hindi

Details of pass-fail criteria (under NEP):

1. Individual component of papers should be considered separately to determine pass-fail criteria.
2. Pass mark will be 30% of the full marks of a component. For 50 marks paper: pass mark ≥ 15; for 25 marks paper, passmark ≥ 8.
3. **Absence in ESE:** Examinee absent in only ONE component in the ESE will be allowed to qualify to next semester with Arrear paper in that to be cleared in the next appropriate semester.
4. For DSC/DSE/SEC / DSM / IDM subjects: Theory and Practical or Tutorial papers will be considered as separate component to consider Pass-Fail criteria.
5. At least 50% of the components to be cleared to qualify to the next semester. Rest of the components in which the candidate fails to secure the pass mark to be treated as Arrear and to be cleared in next appropriate semester.
6. Semester with **Even number of components** will be considered clear if the candidate secure pass mark in (**n/2**) number of components. For example, if a particular semester consists of 8 components, a candidate must pass 4 components to qualify to the next semester.
7. Semester with **odd number of components** will be considered clear if the candidate secures the pass mark in **[(n + 1) / 2]** number of components. For example, if one semester is composed of 9 components, a candidate must secure passmarks in 5 components to qualify to the next semester.

ATTENDANCE (UG& PG Courses):
➢ **A student must have at least 75% attendance** in Theory and Practical classes **separately** in each subject in each Semester.
➢ Attendance in a subject shall be counted from the date of commencement of classes in that subject.
➢ In case student admitted on payment of late fee on account of increase of seats or opening of new subject after the prescribed dates of admission, the attendance shall be counted from the date of his/her admission.

EXAMINATIONS:
➢ Under the Autonomous system, examinations are conducted by the Office of the Controller of Examinations of the College.
➢ Each Academic Year shall have two Semesters. **In each Semester, there shall be two types of Examinations for each student irrespective of the stream to which he/she belongs:**
    a) **Continuous Internal Assessment (CIA) and**
    b) **End Semester Examination (ESE).**
The Odd Semesters (I, III, V& VII) ESE under this system will be conducted in December and the Even Semesters (II, IV, VI& VIII) ESE will be conducted in June every year.
➢ **CIA FOR UG-(HONS) & PG COURSES:**
➢ **Paper: A Paper is a part of a Course & consists of some specific topics. Each Paper in UG under NEP is of 50 (Th) & 25 (Pr/Tu) Marks.**
Each Paper in PG is of 50 (Th & Pr) Marks.
• **CIA of theory papers** will comprise **20% of the total marks** of each theory paper and the students shall be examined for the **rest 80% of marks** in the End Semester Examination.

- Forms of CIA in theory papers may include class tests, assignments, seminars, tutorials, grand-viva, etc. A **minimum of 50% of total CIA marks will be allotted for the written form of tests and 25% of CIA marks may be allotted for other forms of test.**
- **In case of non-implementation of other forms of tests, 75% of total CIA marks will be of written form of tests**.
- **Rest 25% of total CIA marks is reserved for attendance** in Theory classes and marks will be awarded as per following percentages of attendance:
-

91-100 % attendance	25 % marks of total CIA marks
81-90 % attendance	20 % marks of total CIA marks
75-80% attendance	10% marks of total CIA marks
Below 75%	zero

➢ For written form of test of CIA of each theory paper/ group of a paper of each subject both for **all the courses**, **two internal examinations each of 25-marks-paper and of 1hr. duration will be taken.**
➢ The **Marks obtained** in each paper /group of a paper in a Semester by a student **in two Internal Examinations will be averaged** for computing the CIA marks secured by each student in each paper in the concerned Semester.
➢ The evaluated answer scripts of each Internal Test must be shown to the students by the teachers of the respective Department.
➢ **If a student remains absent in <u>both internal examinations</u> of CIA in a particular Semester for what-so-ever the reason may be, shall be awarded 'Zero' mark in CIA.**

Evaluation of Practical papers for PG Courses:
➢ **50% marks of a practical paper will be from CIA:** consisting of attendance-**10%** and performance in the laboratory throughout the Semester-**40%** (to be assessed continuously by each teacher individually who takes practical classes and these will be averaged).
➢ **Remaining 50% marks will be evaluated from ESE:** Comprising token experiment/ part of an experiment / a full expt.--**30% and grand viva - 20%.**
➢ **Marks obtained in End Semester Examination and marks obtained from CIA will be taken together for computing the total marks obtained in a paper.**
➢ Each Department will inform the students about the CIA programme at the beginning of the Semester.
➢ Results of different components of CIA will be displayed separately on the departmental notice boards.
➢ In case of any query or dissatisfaction regarding the results of CIA, a student may appeal to the Departmental Appeal Committee headed by the Head of the Department.
➢ The performance report of CIA shall be submitted by the Head /Co-ordinator of the Department to the Controller of Examinations at least 15 days before the commencement of End Semester Examination.

SPECIFIC GUIDELINES FOR EVALUATION PROCESS UNDER NEP

Discipline Specific Course (DSC) & Discipline Specific Electives (DSE): 4 Credit (3 Credit Theory + 1 Credit Practical/Tutorial):

Theory [Total Marks = 50]: Two (02) Internal Examinations, 25 marks each for CIA (Continuous Internal Assessment) and End Semester Examination (40 Marks)
Practical [Total Marks = 25]: ESE – 60% & CIA -40%

Tutorial [Total Marks = 25] : Home Assignment -10, Presentation & Viva- 10, Tutorial Class Attendance: 05

Interdisciplinary Minor (IDM)/Discipline Specific Minor (DSM): 4 Credit (3 Credit Theory + 1 Credit Practical/Tutorial): [Internal Examination to be held during 2nd Internal Examination]

Theory [Total Marks = 50]: One (01) Internal Examination 25 marks for CIA (Continuous Internal Assessment) and End Semester Examination (40 Marks)
Practical [Total Marks = 25]: ESE – 60% & CIA -40%

Tutorial [Total Marks = 25]: Home Assignment -10, Presentation & Viva- 10, Tutorial Class Attendance: 05

Skill Enhancement Course (SEC): Theory or Practical /#Project/ #Field Survey as in the College Course Structure. 3 Credits: [Internal Examination to be held during 2nd Internal Examination]

Theory [Total Marks = 50]: One (01) Internal Examination 25 marks for CIA (Continuous Internal Assessment) and End Semester Examination (40 Marks)

Question Pattern for Internal Examination: Three 5-mark questions to be answered out of six (06) options and five 2-marks to be answered out of ten (10) options for 25-marks question.
Practical [Total Marks = 50]: ESE – 60% & CIA -40%

AEC (Ability Enhancement Course): 2 Credit, No CIA, Only ESE

Theory (50 marks): AEC (ability enhancement course) under NEP-2020 will be evaluated as per the existing evaluation pattern of AECC (ability enhancement compulsory course) under CBCS pattern since 2017-2018 session. Fifty MCQs with four options for answer will be set for end semester of examination of AECs [Time: One Hour & (50 X 1)= 50 marks].

Value Added Course (VAC); 4 Credits; No CIA, Only ESE

All **VACs will have a project component of ten (10) marks.**
VACs will be evaluated through MCQ pattern in the ESE. Forty (40) multiple choice questions with four options for answer will be set for 40-mark (40 X 1, Time: One Hour) end semester examination for all VACs.

Multi-Disciplinary Course (MDC): 3 Credit No CIA, Only ESE

Theory (50 marks): MDC will be evaluated through MCQ pattern in the ESE. Fifty (50) multiple choice questions with four options for answer will be set for 50-mark (50 X 1) end semester examination for all courses of MDC.

ELIGIBILITY CRITERIA FOR APPEARING AT END SEMESTER EXAMINATION (ESE):

- Each Semester shall end in an End Semester Examination (ESE).
- **ELIGIBILITY CRITERIA: Eligibility criteria means the criteria to be fulfilled by a student to be allowed to sit for the End Semester Examination. Following are the Eligibility criteria:**
- A Student must get himself/ herself admitted in each Semester as per the admission rules of the College.
- **A student must have at least 75% class attendance in each paper (Theory and Practical paper separately).**
- A student **must appear at least one of the two Internal Examinations** in a Semester.
- **If a student is absent in both the Internal Examinations, he/she will not be eligible to sit for the ESE.**
- Those who fulfil the above criteria must pay the requisite Examination Fee and **fill-up the Examination Form within the notified due date.**
- Admit Cards for the ESE shall be issued only to those students who fulfil all the above eligibility criteria.
- A student who has disciplinary charge against his/her name may not be permitted to appear at the ESE.
- **Filling in of Examination Forms for the End Semester Examination shall be treated as first chance.**

CASUAL STUDENT:

- A Student having at least 75% attendance and appeared at one of the internal examinations **but did not fill-up the examination form for ESE** will be treated as casual student.
- A Student having at least **75% attendance** and **not appeared either of the Internal Examinations and hence not allowed to fill up the examination form** for ESE will be treated as **casual student**.
- A Student having **less than 75% attendance** and appeared **at least one of the internal examinations** and **not allowed to fill up the** examination form for ESE will be treated as casual student.
- A Student having **less than 75% attendance** and **not appeared either of the Internal Examinations and hence not allowed to fill up the examination form** for ESE will be treated as casual student.
- A Student appearing at the ESE but not qualified for the next Semester will be treated as casual student.
- **A casual student will not be allowed to take admission or allowed to continue in the next Semester until the particular Semester is cleared.**
- When the particular Semester is cleared, a casual student will be treated again as a regular student.
- **A casual student may appear at ESE in the next appropriate Semester by filling up the examination form.**
- **There will be provision of remedial classes for the casual student.**
- **Only casual students having** at least **75% attendance** and **not appeared either of the Internal Examinations and hence not allowed to fill up the examination form** for ESE will be treated as casual student and **may be allowed to appear in the next appropriate Internal Examinations with prior permission of the Principal.**
- **CIA marks of a casual student,** who appeared at the ESE but not qualified for the next Semester, **will be the marks as submitted earlier.**

ARREAR PAPER:

An Arrear Paper is one in which a student fails to secure the minimum pass marks. **Arrear Paper may arise either through absence or failure to obtain the required qualifying marks.** This will be indicated in the Semester Marks Sheet but not in the Consolidated MarkSheet.

Guidelines of CBCS in PG-Courses:

1. CBCS be introduced for PG- courses from the academic session 2016-2017.
2. To keep uniformity, all the PG Departments will allot subject content for **CBCS in paper-204 in 2nd semester and paper-304 in 3rd semester as Open Elective (OE) / Generic Elective (GE).**
3. Each PG student will be given scope for choice of **Open Elective (OE) / General Elective (GE) paper [i.e, paper-204 in 2nd semester and paper-304 in 3rd semester] from the course offered by any department except the department of his/her core subject (at present scope is 1:11).**
4. Each paper under CBCS will be of **50 marks and equivalent credit** will be **4.**
5. **M.sc programme** will have **1200 marks equivalent to 96 credits.**
6. **M.A. programme** will have **1000 marks equivalent to 80 credits.**
7. There shall be **no provision of practical in paper 204 and 304** which are allowed for CBCS subject content.
8. **Paper 204 and 304 will be self-contained having no continuity.**
9. **A P.G. student under CBCS syllabus may seek change in option in the next semester, if he/she so likes.**
10. P.G. students be asked to give choice at least of two subjects for CBCS Paper on preference basis from among the options (14-PG-subjects) available to him/her and selection will be done on the basis of availability of seats in the subject.

Letter Grades and Grade Points

Score (Marks) Range	Score (Marks) Range (%)	Letter Grade	Grade Point
≥45	≥90	O (Outstanding)	10
<45 ≥ 40	<90 ≥ 80	A+(Excellent)	9
< 40 ≥35	< 80 ≥70	A(Very Good)	8

< 20 ≥15	< 40 ≥30	P (Pass)	4
< 15	< 30	F(Fail)	0
		AB (Absent)	0

I. **A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.**

II. **For non-credit courses 'Satisfactory' or "Unsatisfactory' shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.**

Qualifying in the ESE in PG Courses: The qualifying marks for each practical paper shall be 50% **(Equivalent Credit Points: 24)** For provisional promotion to the next Semester a student shall have to pass in all the practical papers. The qualifying marks for promotion to next semester for each theory paper shall be 30% **(Equivalent Credit Points:16)** and **in aggregate** in each Semester it shall be 40%. **(i.e. SGPA: 5.00).**

Eligibility for Re-examination/Review in PG Courses: A student of PG non-lab-based course is eligible to apply for re-examination/ review of maximum two theory papers, if he/she has Secured at least 40% marks in aggregate **(Equivalent Credit Points on Avg.: 20)** in other theory paper/s in particular semester. A student of PG lab-based course is eligible to apply for re-examination/ review of maximum two theory papers, if he/she has Secured at least 40% marks in aggregate in other theory paper/s and Re-addition of marks in one practical paper only.

Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

$$SGPA\ (S_i) = \Sigma(C_i \times G_i) / \Sigma C_i$$

Where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

Illustration of Computation of SGPA

Course	Credit	Grade letter	Grade point	Credit Point (Credit x Grade Point)
Course 1	4	A	8	4x8 = 32
Course 2	4	C	6	4x6 = 24
Course 3	4	B	7	4x7 = 28
Course 4	3	O	10	3x10= 30
Course 5	3	D	4	3x4 = 12
Course 6	3	C	6	3x6 = 18
Course 7	2	S	9	2x9 = 18
Course 8	2	C	6	2x6 = 12
	25			174

Thus, SGPA= 174/25=6.96

Computation of CGPA

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \Sigma(C_i \times S_i) / \Sigma\ C_i$$

where S_i is the SGPA of the ith semester and C_i is the total number of credits in that semester.

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts

Illustration of Computation of CGPA

- *CGPA after Final Semester*

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6	Semester 7	Semester 8
Credit : 25	Credit : 25	Credit : 27	Credit : 27	Credit :27	Credit : 24	Credit : 24	Credit : 24
SGPA:7	SGPA:8.5	SGPA:9.2	SGPA:6.86	SGPA:8.18	SGPA:7.73	SGPA:8.68	SGPA:9.4

Thus CGPA= $\dfrac{(25\times7)+(25\times8.5)+(27\times9.2)+(27\times6.86)+(24\times8.18)+(24\times7.73)+(24\times8.68)+(24\times9.4)}{200} = 8.18$

CLEARANCE OF ARREAR PAPERS OF PG COURSES:

- The **arrear-papers of the first and second Semesters** shall only be cleared with the regular Semester examinations in the next appropriate Semester.
- The **arrear- papers of 3rd and 4th Semester** shall be cleared in a final year **Supplementary examination** to be conducted within six weeks from the publication of the results, to be decided by the Controller of Examinations.
- A student shall have to qualify in all the Semesters to qualify for the degree.

- A student shall be allowed a maximum of consecutive four years to complete the two-year Post-Graduate Programme.
- <u>Non appearance in any paper/s **[only in one paper]** will be treated as arrear-paper, provided minimum SGPA (5.00) is secured.</u>

<u>Number of chances for appearing in ESE:</u>
- <u>For UG students</u> in a particular <u>Semester</u> two chances (including first appearance) are allowed. However, one additional chance may be allowed as a **special case.** However, a candidate has to complete his/her 4-Year Degree Course within a maximum tenure of 7 years (as per NEP guidelines).
- <u>For a PG student</u>, in a particular Semester two chances (including first appearance) are allowed, **as a special case one additional chance** may be allowed in the 2nd year (4th Sem). This will be restricted to those students who did not avail any chance in the 1st year (1st & 2nd Sem).
- No additional chance will be given to the student who does not qualify even after availing the special chance, his/her registration will be cancelled without any intimation.
- **In no circumstances, registration will exceed more than seven years for UG and more than four years for PG courses.**

<u>REVIEW / RE-EXAMINATION</u>
- **<u>Review of papers not more than 50% of the total papers</u>** will be allowed in a particular Semester.
- There will be **no review for Practical Examinations** but there will a provision for **<u>re-addition of marks</u>** obtained in the practical papers.

- Review is offered for both Regular and Arrear Papers.
- All eligible candidates should apply to the *Controller of Examinations* for re-examination/ re-view or re-addition in the prescribed form available in the website of the College within 15 days from the issue of the mark-sheet after remitting requisite fees prescribed by the authority
- In case of **variation of 5% (calculated on marks awarded)** or less marks between the initially awarded and the re-viewed marks the change shall be ignored.
- In case of variation of marks for **more than 5%** (calculated on marks awarded), the marks initially obtained and marks obtained after review will be averaged out to find out the final marks.
- **<u>Final marks may be more or less than the marks awarded initially.</u> However, class or division initially awarded will not be lowered in any case due to re-examination of answer script. Similarly, a candidate declared passed initially will not be declared unsuccessful candidate in any case. In such cases marks initially awarded remain unchanged.**

- ➢ **<u>SELF INSPECTION OF THE ANSWER SCRIPTS (UNDER RTI):</u>**
  - A student may apply to see his/her answer script of ESE in prescribed format after remitting requisite fees within 15 days from the date of issue of mark sheet.
  - **A student cannot apply for review after he/she has seen his/her answer script**. A student will not be allowed to apply for self-inspection and re-examination simultaneously. <u>However, report of self-inspection by the student will be considered by the controller of Examinations and necessary measures will be taken.</u>

- ➢ **CANCELLATION OF RESULT:**
  - • A candidate may apply or cancellation of his / her **entire result of any Semester** to the Controller of Examinations for his improvement of his/ her results within 30 (thirty) days since the publication of results/ mark sheet. However, there will be no provision for cancelling result of any singular subject/paper in any case.
  - • In all cases, cancellation of result will be counted as one chance lost. Such candidates shall have to surrender their original mark sheet along with the application for cancellation of the results.

- ➢ **SUPPLEMENTARY EXAMINATION:**
  - • A supplementary examination will be held for 4th year UG students who have arrear papers only from Semester **VII** & **VIII for 4-year UG Course**
  - • A supplementary examination will be held for 2nd year **PG students** who have arrear papers only from Semester **III** & **IV.**
  - • A 3rd/4thyear (for UG) and 2nd year (for PG) student who has a disciplinary charge against his/her name may not be allowed to appear at the supplementary examination.
  - • There will be no supplementary examination for any practical paper.

- ➢ A **provisional Certificate** shall also be issued to the successful candidates from the end of the Controller of Examinations duly signed by both Controller and Principal/Teacher-in-Charge. This provisional certificate will remain valid till the issue of certificate from Vidyasagar University.

- ➢ **FINAL DEGREE CERTIFICATE:**
  Vidyasagar University will award degree to the students evaluated and recommended by Midnapore College (Autonomous). The degree certificates will be in a common format devised by the University. **The name of the College will be mentioned in the degree certificate.**

- ➢ **MIGRATION CERTIFICATE**
  Students from other Universities (UG and PG) must submit the Migration Certificate from University under which they appeared for the last examination, within one month from the date of their admission into this College. Migration Certificate shall be issued to the **registered students** moving from this College to other College/University on request and on submission of the requisite fees.

ENDOWMENT DISTRIBUTED AS INCENTIVE TO STUDENTS FOR BETTER ACADEMIC PERFORMANCE.

1. Late Amulya Bhusan Sen Endowment Scholarship instituted by Smt. Santa Dasgupta, daughter of Late Amulya Bhusan Sen in 1996 for students securing highest marks in History Hons. in Part - II Exam. (Amount of endowment Rs. 10,000.00)
2. Late Abinash Dasgupta Endowment Scholarship instituted by Prof. Bhagabati Dasgupta, son of Late Abinash Dasgupta in 1996 for students securing highest marks in Pol. Science Hons. in Part - II Exam. (Amount of endowment Rs. 10,000.00)
3. Dr. Purnendu Kumar Ghosh Endowment Scholarship instituted by Dr. Purnendu Kumar Ghosh himself in 2005 for students securing highest marks in Botany Hons., Physics Hons. and English Hons. in Part - I Exam. (Amount of endowment Rs. 1,00,000.00)
4. Late Sushila Roy Endowment Scholarship instituted by Dr. Gopendra Nath Roy in 2005 in memory of his mother, Late Sushila Roy for Topper in Physics Hons. in Part - I Exam. (Amount of endowment Rs. 10,000.00)
5. Haimabati - Kenaram Tripathi Endowment Scholarship instituted by Sri Gangapada Tripathi, son of Haimabati - Kenaram Tripathi in 2006 for Topper in Taxonomy, B.Sc Honours instead of Biological Science (General) in Part - II Exam. (Amount of endowment Rs. 5,500.00) from 2021as BSc General Course has been stopped

7. Late Pragati Mukherjee Memorial Scholarship instituted by Sri Saroj Kr. Mukherjee and Smt. Meera Mukherjee in 2007 in memory of their daughter, Late Pragati Mukherjee, an alumnus who achieved academic excellence in many fields, for students of Physics (Hons.) securing highest marks in the University Final Examination (Part - II/Part - III) (Amount of endowment Rs. 50,000.00/).
8. Sri Nirmal Chandra Maity, an alumnus of this College donated Rs. 55,555/- in 2012 as an endowment fund in the name of his mother, Late Pravabati Maity to be instituted as Late Pravabati Maity Endowment Fund for a needy, meritorious UG student of Chemistry of Midnapore College getting admission in the PG Dept. of Midnapore College, as will be recommended by the Head, Dept. of Chemistry.
9. Dr. Saptadip Samanta, an alumnus and Teacher of this College in the Dept. of Physiology, donated Rs. 20,000/- in 2012 for a student either of Zoology or Botany or Physiology securing highest average marks from this College under Vidyasagar University, or if two or more candidates obtain same marks in same subject, both or all candidates will be awarded silver medal inscribed as "SANAT KUMAR SAMANTA SMRITI SILVER MEDAL" in memory of his father Late Sanat Kumar Samanta.
10. Dr. Sudhir Chandra Pal, an alumnus and ex-teacher of this College in the Dept. of Chemistry donated Rs. 1,00,000/- on 16.01.2013 to institute Gunadhar Pal Memorial Award in memory of his father Late Gunadhar Pal for a student of this College who will secure highest marks in the first year Chemistry Honours in the University

Examination.

11. The Alumni of Chemistry Department of Midnapore College donated a sum ofRs. 50,000/- on 16.01.2013 to conduct Special Seminar Lecture in Chemistry from the annual bank interest in the name of Alumni of Chemistry Endowment Lecture once a year.

12. Dr. Gouri Patra (Pal), an alumnus of this College and retired Professor of Burdwan M.U.C Women's College donated a sum ofRs. 1,00,000/- on 16.01.2013 as an endowment fund in memory of her father Late Doctor Rashbehari Pal, out of which the annual bank interest will be awarded to a meritorious and needy student of Chemistry Honours of Midnapore College getting admission in Postgraduate Course in Chemistry in Midnapore College and the name of the student will be forwarded jointly by the Secretary of Alumni of Chemistry Dept. and Head, Chemistry Dept. of Midnapore College.

13. Prof. Sukumar Maiti, an alumnus of this College and Retired Professor, Indian Institute of Technology, Kharagpur donated a sum ofRs. 1,10,000/- on 21.07.14 as an endowment fund to institute "Rajanikanta Maiti Memorial Award" in memory of his father Late Rajanikanta Maiti for a student standing first in the Final Year Semester of B.Sc., Chemistry (Hons.)

14. Dr. Sudhir Chandra Pal, an alumnus and Retired Associate Professor, Dept. of Chemistry of this College donated a sum ofRs. 1,05,000/- on 24.07.2014 as an endowment fund to institute "Itika Pal Award" in the name of his wife Mrs. Itika Pal for the highest scorer in the 2nd Year Semester *14th* Semester of B.Sc., Chemistry (Hons.)

15. Dr. Sampa Chatterjee, Associate Professor of Philosophy donated a sum ofRs. 20,0001- on 24.12.20 14 as an endowment fund to institute "Lakshmi Narayan Chatterjee Memorial Award" in memory of her father Late Lakshmi Narayan Chatterjee for the highest scorer in the Final Year *1* Semester, B.A. Philosophy Hons.

16. Nandini Roy, Graduate Laboratory Instructor, Department of Botany donated a sum of Rs. 50,000/- on 14.01.2015 as an endowment to institute "Pranabananda Paramananda Smriti Puraskar" in memory of her father and father like Uncle for the highest scorers in the Final Year *1* Semester of B.Sc. Mathematics (Hons.) and B.A. Bengali (Hons.)

17. Prof. Subhas Chandra Santra, Senior Professor, Department of Environmental Science, University of Kalayani and an Alumnus of this College donated a sum of Rs- 50,000/- (Fifty Thousand Only) to form an endowment fund in memory of his father, Late Bijoy Krishna Santra to award silver medal out of the annual bank interest to a student standing first class first considering all PG courses taken together.

18. Sri Manturam Jana, Former Professor of the Department of Chemistry of this College, donated a sum of Rs-1.00.000/- (Rupees one lakh only) to form an Endowment Fund in memory of his parents,"Late Giridhari Jana and Late Sitarani Jana Endowment Fund" to award cash prize out of the annual accrued Bank interest to one successful student of First Year (Chemistry Hons) and another successful student of Second Year (Chemistry Hons) who both must be poor but meritorious and the two students to be selected by the Head of the Department of Chemistry.

19. Sri Shyama Pada Ghosh, Laboratory Instructor of the Dept. of Botany of this College,

donated a sum of Rs- 50,000/- (Fifty thousand only) towards cash prize in the title of "Lt Subodh Chandra Ghosh Smriti Puraskar" to the highest scorer in the PG Dept. of Botany.

20. Dr. Purnendu Kumar Ghosh, former Teacher-in-Charge & H.O.D, Department of Botany, Midnapore College donated a sum of Rs. 2,00,000.00 (Rupees Two Lakh) only as an endowment fund entitled " Travel Award " for allowing the students to attend the Indian Science Congress.

21. Dr. Amalendu Ghoshal, Former Associate Professor of the Department of Chemistry of this College donated a sum of Rs 100000/- (Rupees One Lakh Only) towards Merit-cum- Means Scholarship in the title of "Parulrani Memorial Merit- cum- Means Scholarship" for needy and meritorious students of UG (Hons)& (PG), Dept. of Chemistry from the Session 2018-2019.

22. Dr. Asish Kumar Chaudhuri, former Professor, Department of Botany, Midnapore College donated a sum of Rs. 1,00,000 (Rupees One Lakh) only in the memory of his parents as an endowment fund entitled " Late Bankim Behari Chaudhuri Founder and Principal, Midnapore Homeopathic Medical College & Hospital & Late Smt. Parul Chaudhuri Award " for two (02) meritorious and needy students of 1st Semester UG of Botany Honours in cash from the session 2019-2020.

23. Sri Shankar Mukhopadhyay, an ex-student and grandson of Late B.D. Banerjee, Ex-Principal of Midnapore College has donated an amount of Rs. 10,50,000.00/- (Rupees Ten Lakh and fifty thousand only) in 2021 for giving endowment scholarship to poor and meritorious students of the College.
